Dear Company:

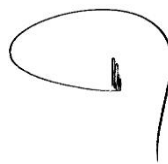

The Chamber of foreign trade of Salta, is a gremial-entrepreneurial entity, founded in 1972 which aims to promote and strengthen the foreign trade of the province of Salta and the NOA region through the dissemination, advice, investment promotion, training and the defense of the sectoral interests, linking them with academic institutions, Government and business, to promote trade with the world.

40 years ago, in November 1974, organized by the Chamber of foreign trade of Salta, the 1st. international agro-industrial FAIR of the North Argentine was born: from then, the constant effort of their organizers, the unconditional support of entrepreneurs, of the Government and of participating countries, the enthusiastic response of the public and the sustained growth of the region, attached to its productive development, made possible this twenty third edition of Ferinoa, that will be held in the city of Salta between the 01 to the 10 of October of the current year.

With the passing of the years FERINOA has become the ideal space to find investment, promote partnerships, tackle new projects, expand business objectives and add new markets, in addition to providing immediate business opportunities. That is why in every edition is reedit major business rounds with more than satisfactory results for the participants.

The presence of you in a new edition of FERINOA is a great honour for us, it is an excellent opportunity for businessmen and visitors from the NOA to take contact to strengthen commercial ties.

With no other particular, and being at your disposal for the Organization of the aforementioned activities, we welcome you sincerely.

Sr. Ricardo Javier Cerúsico
